. it works perfectly and it isnÂ´t a virus.. operating systems x64 autodesk autocad 2016 office 2013 xfore xforce 2010.Do you remember the good old days when you could play with your friends in one game? Well now you can once again with this tag game! Up to 8 players can play on a single screen in multiplayer mode, or 2 players can take it in a duel, either way, the tag that gets all the others is the loser! It's as easy as punching you friends and dodging theirs!# # $Id: Makefile,v 1.8 2006-01-26 21:24:58 dmuino Exp $ # MAKE = make # where to look for programs PROGRAMS = # where to look for dbx programs and rules PROGRAMS_DBX = # where to look for jabber programs and rules PROGRAMS_JABBER = # misc # where to look for this, added by make SHARED_LIBS = #_____ # # Helpers # .PHONY :.all.clean.install.uninstall.finish .all: ${MAKE} -C shared ${MAKE} -C programs ${MAKE} -C code #_____ CFLAGS += -I $(INCLUDES) #_____ code : $(MAKE) -C programs all $(MAKE) -C shared sharedlibs $(MAKE) -C programs products $(MAKE) -C shared sharedlibs .PHONY :.code.clean.install.uninstall #_____ sharedlibs : (cd shared; $(MAKE) -C sharedlibs) #_____ products : (cd products; $(MAKE) -C tools sharedlibs) #_____ .PHONY :.products.finish .products : (cd products; $(MAKE) -C products) .PHONY :.code.finish #_____ sharedlibs
